

# **SYMPHONY: THIS WILL BE OUR REPLY**

**Lucas Richman**

*Commissioned by  
Oak Ridge Civic Music Association  
Bemidji Symphony Orchestra  
Los Angeles Jewish Symphony*

In celebration of the Leonard Bernstein Centenary (August 25, 2018), Lucas Richman received permission from the Leonard Bernstein Office to create a new work for chorus and orchestra inspired by the speech Maestro Bernstein delivered to the United Jewish Fund two days after the assassination of President John F. Kennedy. Known as “An Artist’s Response to Violence,” the speech addresses the manner in which musicians might best use their abilities in the aftermath of tragedy:

***“This will be our reply to violence: to make music more intensely,  
more beautifully, more devotedly than ever before.” \****

*Leonard Bernstein*

The three movements of Richman’s “Symphony: This Will Be Our Reply” (*Intensity/Beauty/Devotion*) expand upon these three directives, exploring the contrasts of great beauty and horrific violence that pervade our modern era. The work ultimately resolves with an anthemic setting of an original poem which frames the ancient Hebrew text, “L’Takken et Ha’Olam (Repair the World),” uplifting the essence of Bernstein’s profound message.
